WELCOME

The Calyx is Sydney's hidden gem right in the heart of the Royal Botanic Garden Sydney; home to one of the largest green walls in the southern hemisphere. This indoor open-air space is a spectacular location to host your next dawn, day, dusk or darkness event. Let your guests breathe in the nature and experience a garden like no other at your next exhibition, conference, product launch, gala dinner or cocktail party.

THE CALYX [pronounced *kal-iks*]

is defined as 'the sepals of a flower, typically forming a whorl that encloses the petals and forms a protective layer around a flower bud', which is reflective of the venue's structural circular design, arching pillars and light-enhancing window space.

"The Calyx is a unique and versatile venue that is equally stunning in daylight and at night. Throughout the planning process and during the event, both gardens and catering staff were professional and assiduously attentive to the finer details of our event. It was truly a pleasure to host our conference dinner at The Calyx and the evening went smoothly.

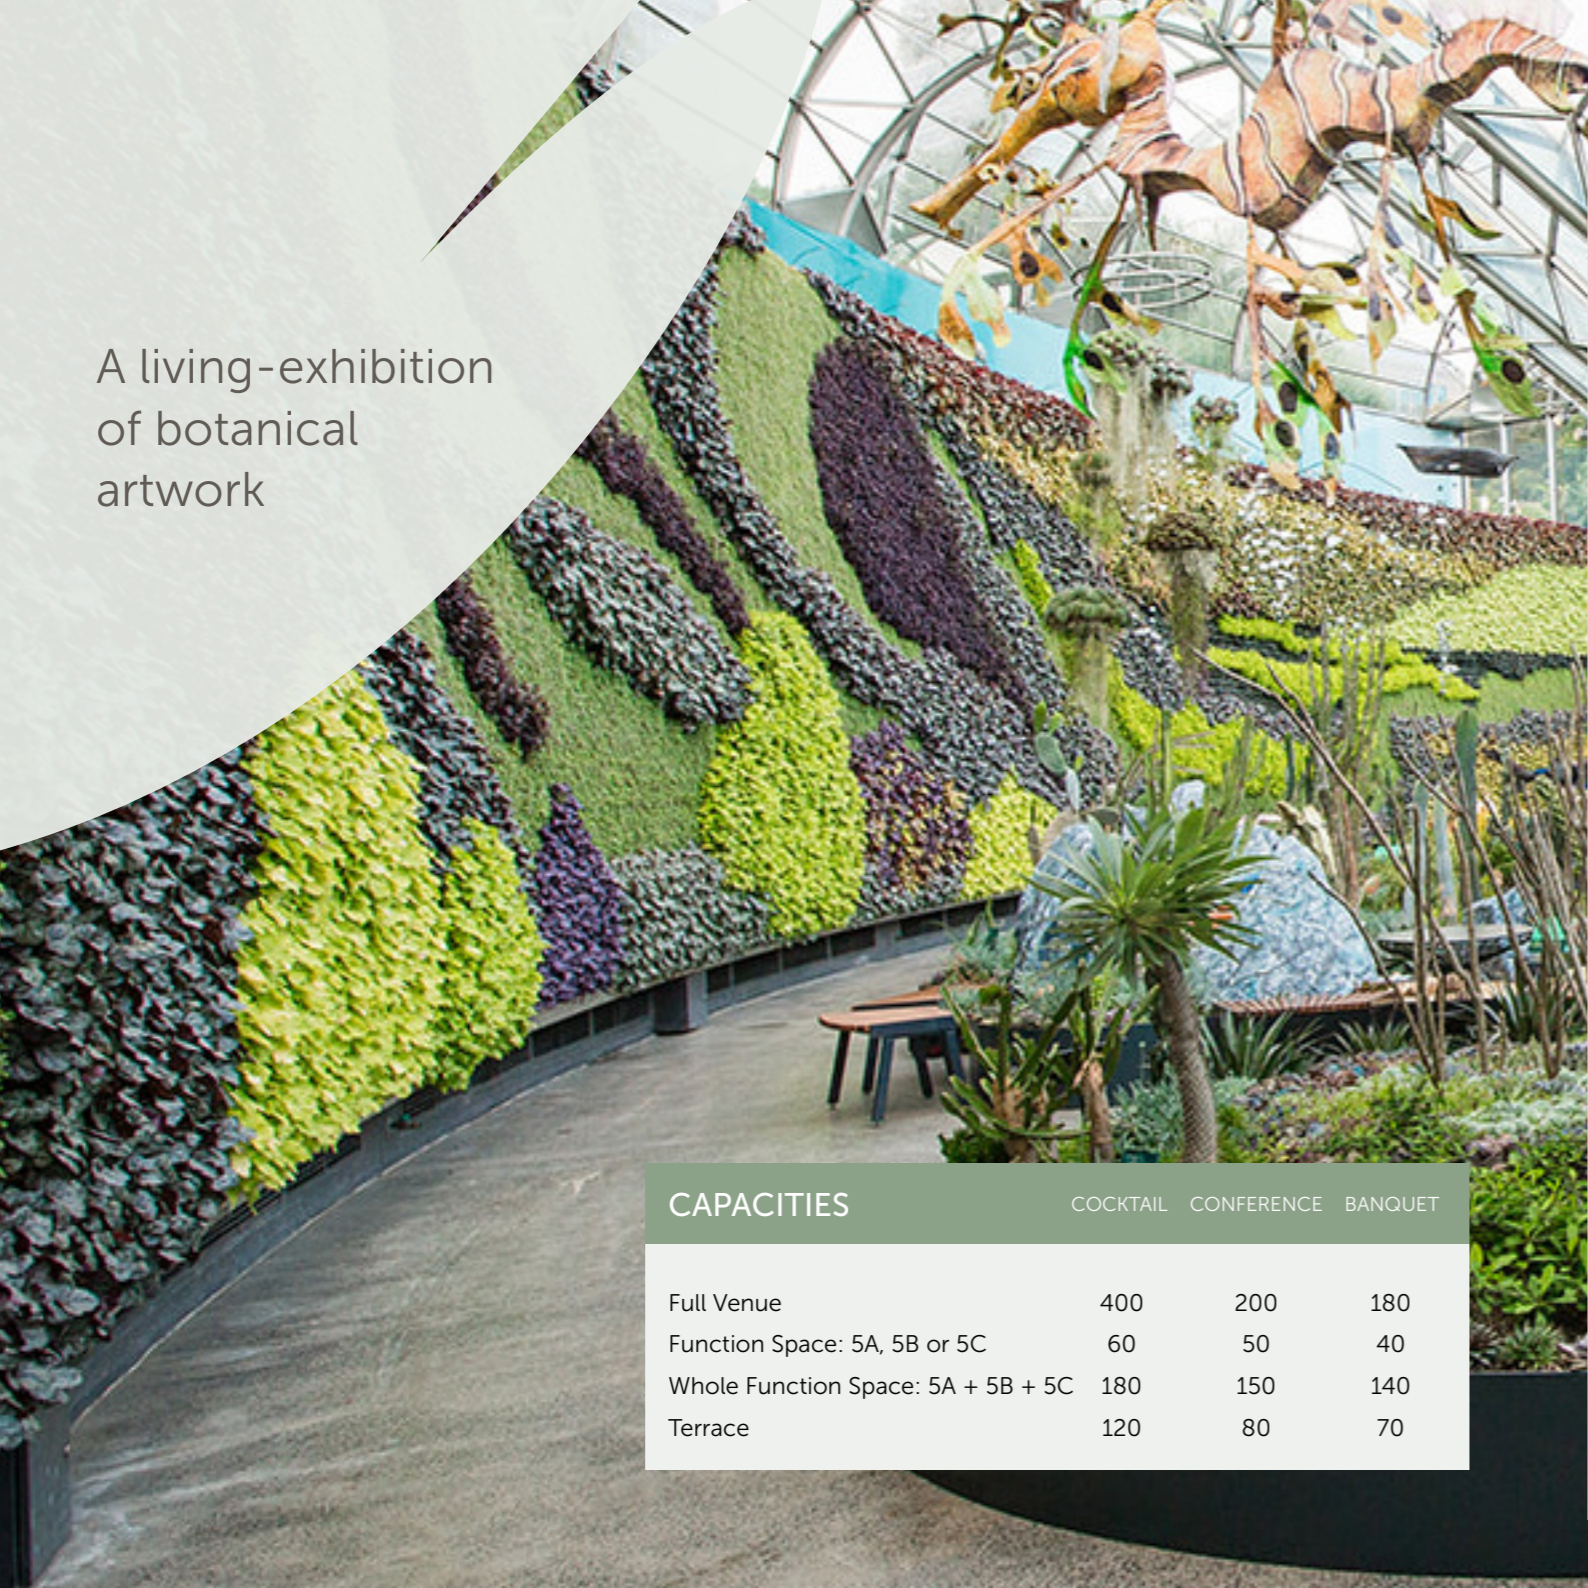

Thank you, Calyx team!"

WINNIE VUONG, Event Manager
Blue Event Productions

"The Calyx is a uniquely beautiful spot. I recently ran a work offsite day there, and it was a great success. The staff loved it and The Calyx team were a pleasure to work with, and very supportive throughout the day. I'm excited to plan the next one!"
