

DIESEL BAR FUNCTIONS AND EVENTS

CELEBRATE & HOST

Step through the 1920's into Diesel Bar where the decor has evolved dramatically, bringing you one of Melbourne's moodiest, contemporary bar and restaurant, with a sports bar twist!

Situated in the heart of Lt. Lonsdale Street, once known as the city's notorious red-light district; a 19th-century enclave filled with brothels, opium dens and working-class homes. Little Lon's residents have long since moved on, cottages and laneways have been replaced by slick towers and office buildings. But beneath Lt. Lonsdale Street history, a new facet of Melbourne's history has been discovered, Diesel Bar.

Diesel Bar is the perfect location for a variety of functions and events. From the nooks and cranny's of the ground floor, to the charismatic ambiance of Upstairs. If you're after a simple reserved spot or a next-level private cocktail event, you will struggle to find a better space for your special occasion. Our catering menu has been curated with a variety of local produce along with flexible beverage packages, that will perfectly suit your groups tastes, budget and style.

With its contemporary but intimate atmosphere you will struggle to find a better space. Ideal for your engagements, milestone birthdays, and perfect for corporate functions or a product launch, you are guaranteed to impress your guests, customers and business associates alike.

If you are looking for a exquisite and contemporary option to host your next event or unforgettable celebration, Diesel Bar is the place to be!
