# ABOUT US

At Expo Event Services, we believe in creating exhibitions and events that not only impress, they also deliver meaningful experiences. Offering a complete solution for all exhibition and event requirements, from planning to execution. EES holds over 25 years of exhibition and event management experience.

Understanding the importance of delivering exceptional events that exceed clients' expectations, EES are a team of enthusiastic and creative individuals who love what they do and provide the highest level of service to ensure clients' events are not only a success, but they are also profitable.

From venue selection, exhibition and event design to logistics and onsite management, the EES team work side by side with clients to understand their objectives, to ensure their vision is brought to life through comprehensive planning and execution process.

Committed to sustainability and integrated environmental conscious practices, EES strives to reduce a carbon footprint and minimise waste wherever possible, without compromising on the quality of a product or event.

The reputation built by EES, as a leading exhibition and event company is based on a commitment to excellence, attention to detail, and reliable customer service to deliver creative, innovative, and unforgettable events, leaving clients and attendees with positive memories.

*The team at EES look forward to working alongside you to create an event that exceeds your expectations.*
