

CREATIVE CONFERENCING

Coogee Bay
HOTEL

BRINGING PEOPLE TOGETHER

Our experienced team will assist you in making your corporate workshop, conference, dinner, client drinks or team building session at our idyllic beach-front location a seamless affair. You'll have access to the latest audio-visual equipment, seasonal food and beverage offerings and function spaces that cater to a variety of group sizes and layouts.

PACKAGES

ESSENTIALS

All conference spaces come with the essentials to ensure nothing is missed: data projector, screen, pens, notepads, complimentary wifi, whiteboard, flipchart and iced water.

Available at an additional cost: flipchart and whiteboard, lectern, microphone, laptop, wireless presenter remote (clicker)

TECHNOLOGICAL CAPABILITIES

Coogee Bay Hotel's audio visual and information technology sets a benchmark for the industry. The state-of-the-art AV capabilities combine ultra-bright high-definition projection with concert-like sound. The system seamlessly integrates with the lighting and curtain treatments, in-built speaker system, touch screen control and shared information technology infrastructure.
